RUGS

The finest Rugs in the world now being actually woven by a power loom on our carpet floor. Don't fail to see the loom in operation. You are welcome any time between the hours of 9 a. m. and 6 p. m. Come in and bring your friends.

Yesterday, the first day of weaving, we had 500 visitors from 2 o'clock to 5:30 p. m. Everyone was very enthusiastic over the wonderful, and almost human way in which the loom weaves the thousands of yarns into such soft, rich, beautifully blended Rug patterns. From an educational standpoint this is an exhibition that should be attended by every man, woman and child in the State of Vermont. Come to-day.

Walk on the Anglo-Persian Rug on the Sidewalk

On the sidewalk at our store entrance we have spread a 9x12 Anglo-Persian Rug for you to walk on. We want everybody that goes up or down Church Street to walk on it.

Anglo-Persian Rugs are the world's finest Wilton. The weaving and the coloring are the very best. That Anglo-Persian will be on the sidewalk every day during this exhibition. It will be the hardest test of quality and coloring possible to give a Rug—but watch for it after the test—we'll have it on display in our window.
